Mr. Erik Williams

Dear Mr. Williams:

Thank you for contacting me. I value your input, and appreciate you taking the time to share your thoughts.

As you may know, I have decided this is my last term in the United States Senate. Therefore, my office operations are winding down as we approach the end of the year when my term ends. That being said, please know that your opinion has been received and is being registered by my staff.

In my mind, there are no better people than the millions of North Carolinians whom I have had the privilege to represent. We are a politically diverse group of hard-working, family-loving, proud Americans. Having been elected to serve you for three terms in the United States Senate, and before that, five terms in the United States House of Representatives, this has been an honor of a lifetime.

I will forever cherish my time in public service and the privilege to represent you in government. Thank you for the opportunity to serve our great state and for your concern about the future of our country.

Best wishes to you and your family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Richard Burr', written over a horizontal dashed line.

Richard Burr  
United States Senator
