## Introducing the most advanced ProConnect Tax software ever

Dear ERIK,

ProConnect Tax software constantly evolves with best-in-tax innovations, time-saving automation and updates, and a constant flow of new product features that deliver a streamlined workflow and make tax preparation more efficient for you—because it's all based on customer feedback.

**We have some really big news:** beginning January 2025, **ProConnect Tax will include Intuit Tax Advisor as part of your pro-tax workflow.** Advisory services can be your secret weapon for leveling up your firm's services. Plus, you'll maximize your value to clients with reports that showcase their specific tax-savings strategies, all custom-branded by your firm.

Know that your ProConnect team remains committed to delivering game-changing product features and providing you with the best possible tools to guide your clients to even better financial outcomes. Starting in tax year 2024, we are **introducing User Access for \$99 per user per year.\*** User Access will give you complete permissions to all of ProConnect's powerful features for the entire year, including e-Filing and printing returns, and Intuit Tax Advisor plans.

For more information about User Access, please visit our [FAQs](#). If you need product support, please reach out to us using the Help or Assistant in your ProConnect Tax product. We are always here to help.

Thank you again for your continued support of ProConnect Tax software.
